### Annual Report of Career Development Cell ( Academic Year 2021-22)

The career development cell of the institute completed the foundation course towards preparation of civil services examinations in the academic year 2021-22 with relevant modifications from the prior courses conducted in previous years .

Following is a brief overview of the course conducted by the cell in academic year 2021-22.

Name of the course	:	Career Counseling of Final Year students
Session I	:	3 March 2022
Session II	:	09 March 2022
Total Sessions	:	2 sessions ( 4Hrs.)
Total Students Benefited	:	169
Conducted by	:	Prof. Nishant B Tharkar
Content of the Course	:	Exposure to career opportunities for final year students

The course emphasized on creating a strong foundation of social science subjects towards preparation of civil services examinations at central and state level and casting them as a examination ready entity by the time they pass out from the institute.

The target subscribers for the course were primarily, final year and pre-final year students.

Prof. Nishant B Tharkar

## **Career Awareness Program Report**

Date: 24-09-2021

Venue: Drawing Hall, Sanjeevan Engineering College

Program Title: Career Awareness Program

Conducted By: Dr. Ajay Krishna Maske

**Introduction:** On 24th September 2021, a highly informative and impactful Career Awareness Program was conducted by Dr. Ajay Krishna Maske at the Drawing Hall of Sanjeevan Engineering College. The program aimed to provide students with valuable insights into various career options, guidance on career planning, and group counseling sessions to help them make informed decisions about their future paths.

### **Program Highlights:**

**Expert Counselor:** Dr. Ajay Krishna Maske, a renowned career counselor, led the program. With his vast experience and deep understanding of career choices and pathways, he provided expert guidance to the students. His empathetic and supportive approach created a conducive environment for open discussions and group counseling.

**Career Exploration:** The program emphasized the importance of self-assessment and understanding personal interests, strengths, and values. Dr. Maske conducted interactive sessions to help students explore different career options, discussing various industries, job roles, and emerging trends. The students were encouraged to identify their passion and align it with potential career paths.

**Goal Setting and Career Planning:** To facilitate effective career planning, Dr. Maske guided the students in setting short-term and long-term goals. He emphasized the importance of strategic planning, skill development, and continuous learning to achieve career success. Students were encouraged to identify specific steps and action plans to accomplish their career objectives.

**Group Counseling:** The program included group counseling sessions where students had the opportunity to share their concerns, doubts, and aspirations. Dr. Maske actively listened, provided guidance, and addressed individual queries, creating a supportive atmosphere for personal growth and decision-making.

**Resources and Tools:** Dr. Maske shared valuable resources, including career assessment tools, industry reports, and online platforms, to help students further explore career options and stay updated with industry trends. He highlighted the significance of networking, internships, and skill-building activities for career advancement.

**Conclusion:** The Career Awareness Program conducted by Dr. Ajay Krishna Maske at Sanjeevan Engineering College was a remarkable initiative that empowered students to make informed decisions about their careers. Dr. Maske's expertise and group counseling sessions provided invaluable guidance to the students, helping them understand their interests, set career goals, and plan for their future.

The program not only equipped students with knowledge about different career options but also fostered self-reflection and personal growth. By facilitating open discussions and addressing individual concerns, Dr. Maske created an environment that encouraged students to explore their potential and make well-informed career choices.

The collaboration between Dr. Ajay Krishna Maske and Sanjeevan Engineering College proved to be immensely beneficial, enabling students to gain clarity and confidence in their career paths. The Career Awareness Program served as a stepping stone for students to embark on a successful and fulfilling professional journey.

## **Career Enhancement Program Report: International Career Opportunities**

Date: 08-10-21

Venue: Sanjeevan Institute, Panhala

Program Title: Career Enhancement Program - International Career Opportunities

Conducted By: Mr. Abhey Kelkar, Mahalaxmi Academy Kolhapur

**Introduction:** On 8th October 2021, an insightful and engaging Career Enhancement Program on International Career Opportunities was conducted by Mr. Abhey Kelkar from Mahalaxmi Academy Kolhapur at Sanjeevan Institute in Panhala. The program aimed to provide students with valuable information and guidance on pursuing careers abroad and exploring international job opportunities.

### **Program Highlights:**

**Expert Speaker:** Mr. Abhey Kelkar, a renowned career counselor and expert in international careers, led the program. With his extensive knowledge and experience, he provided valuable insights into the process of pursuing a career abroad, including study opportunities, work permits, visa requirements, and global job market trends.

**Understanding International Careers:** The program focused on creating awareness among students about the benefits and challenges of pursuing international careers. Mr. Kelkar discussed various aspects, including cultural adaptation, language proficiency, and the importance of building a global mindset. He emphasized the significance of developing cross-cultural competencies for success in an international work environment.

**Exploring Study Abroad Opportunities:** The program provided information on study opportunities abroad, including undergraduate and postgraduate programs, scholarships, and research opportunities. Mr. Kelkar highlighted the advantages of studying in foreign universities, such as exposure to diverse cultures, advanced academic resources, and better career prospects.

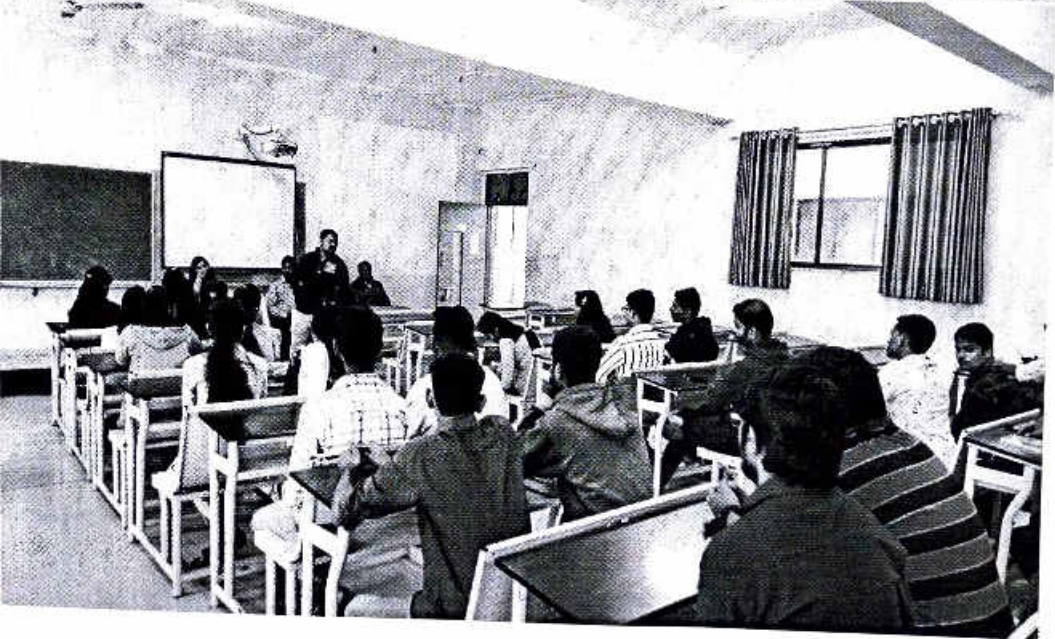

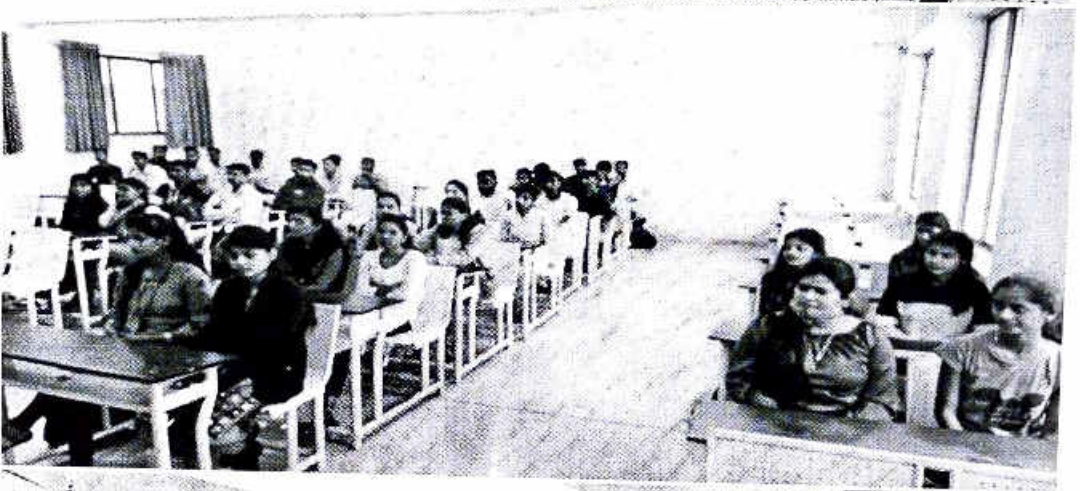

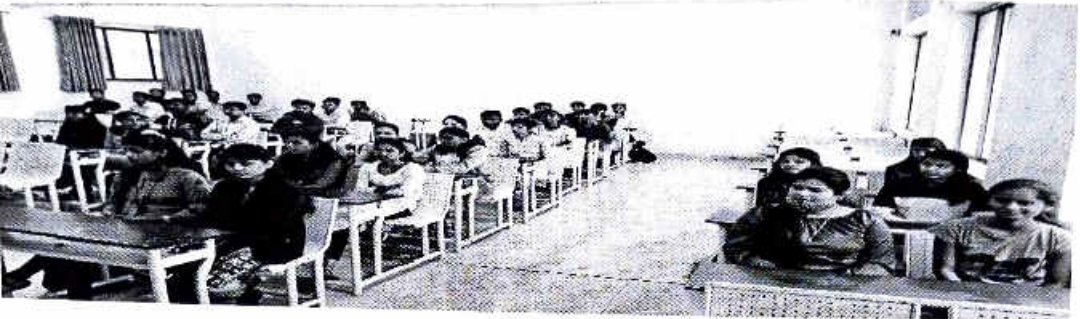

**Global Job Market Insights:** To help students understand the international job market, Mr. Kelkar shared insights into emerging industries, in-demand skills, and job search strategies. He discussed the significance of building a strong professional network, leveraging online platforms, and utilizing internships and exchange programs to gain international work experience.

**Success Stories and Alumni Interactions:** The program featured success stories of individuals who pursued international careers, providing inspiration and motivation to the students. Additionally, Mr. Kelkar facilitated interactions with alumni who had successfully pursued international opportunities, allowing students to gain firsthand insights and guidance.

**Conclusion:** The Career Enhancement Program on International Career Opportunities conducted by Mr. Abhey Kelkar from Mahalaxmi Academy Kolhapur was a valuable initiative for students at Sanjeevan Institute in Panhala. The program equipped students with essential knowledge and guidance on pursuing careers abroad and exploring international job opportunities.

Mr. Kelkar's expertise and insights into the international job market, study abroad opportunities, and cross-cultural competencies provided students with a comprehensive understanding of the steps required for a successful international career. The program's focus on success stories and alumni interactions further inspired and motivated students to pursue their global ambitions.

The collaboration between Mahalaxmi Academy Kolhapur and Sanjeevan Institute showcased a commitment to providing students with holistic career development opportunities. The Career Enhancement Program undoubtedly expanded students' horizons, enabling them to consider and plan for rewarding international career paths.

### Career Opportunities After Engineering: Unacademy Webinar Report

Date: June 4, 2022 Prepared by: [Jay maske] Organizer: Unacademy Webinar: Career Opportunities After Engineering Audience: Sanjeevan Students

#### 1. Introduction

This report provides an overview of the webinar on "Career Opportunities After Engineering" conducted by Unacademy on June 4, 2022. The webinar aimed to provide Sanjeevan students with valuable insights into various career paths and opportunities available to them after completing their engineering degrees. Through expert presentations and interactive sessions, the webinar focused on guiding students towards successful career choices and paths.

#### 2. Webinar Details

a) Date: The webinar on "Career Opportunities After Engineering" was conducted on June 4, 2022.

b) **Organizer:** The webinar was organized by Unacademy, a leading online learning platform that provides educational resources and career guidance to students.

c) **Target Audience:** The webinar specifically targeted students from Sanjeevan, aiming to assist them in making informed decisions about their career paths after completing their engineering degrees.

### 3. Webinar Objectives

The webinar on "Career Opportunities After Engineering" had the following objectives:

i) **Awareness of Career Paths:** The webinar aimed to broaden students' understanding of the various career paths available to engineering graduates. It provided insights into both traditional and emerging fields that are in high demand in the current job market.

ii) **Expert Guidance:** The webinar featured expert speakers who shared their experiences and knowledge in specific career domains. They provided guidance on the skills, qualifications, and career trajectories associated with each field.

iii) **Interactive Sessions:** The webinar encouraged active participation through interactive sessions, Q&A sessions, and discussions. This allowed students to clarify doubts, seek personalized advice, and engage in meaningful conversations with the speakers.

iv) **Personal Development:** The webinar emphasized the importance of personal development and acquiring additional skills beyond core engineering knowledge. It highlighted the value of continuous learning, adaptability, and soft skills in career growth.

### 4. Webinar Highlights

a) **Expert Presentations:** The webinar featured expert presentations from professionals in various career domains. These experts shared insights into their respective fields, including industry trends, job roles, skill requirements, and potential growth opportunities.

b) **Career Path Discussions:** The webinar provided in-depth discussions on different career paths available to engineering graduates. Topics such as software development, data science, artificial intelligence, renewable energy, entrepreneurship, and management were explored to offer students a diverse range of options to consider.

c) **Q&A and Panel Discussions:** Students had the opportunity to interact with the speakers through Q&A sessions and panel discussions. They could seek advice, ask questions about specific career paths, and gain further clarity on the skills and qualifications required for success in those domains.

d) **Guidance on Skill Development:** The webinar emphasized the importance of acquiring additional skills and certifications to enhance career prospects. Students received guidance on relevant courses, online resources, and learning platforms that can help them acquire the necessary skills in their chosen fields.

### 5. Webinar Outcomes

a) **Expanded Career Awareness:** The webinar broadened students' awareness of various career opportunities beyond traditional engineering roles. They gained insights into emerging fields and industries, allowing them to make more informed career choices.

## Feedback Form

Lecture On : "Campus Awareness"  
Date : 24/09/2021 (10.00 am to 12.00 pm)  
Name of Trainer : Dr. Ajay K. Maske  
Location : Civil Department (Class Room 108)

Instructions: Please indicate your level of agreement in the statements listed below

Please tick your level of agreement with the statements listed below	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
	(1)	(2)	(3)	(4)	(5)
1 The objectives of the lecture were clearly defined.	1	2	3	4	5
2 The lecture objectives were met.	1	2	3	4	5
3 The trainer / lecturer was knowledgeable about the training topics.	1	2	3	4	5
4 The trainer / lecturer was well prepared.	1	2	3	4	5
5 The content was organized and easy to follow.	1	2	3	4	5
6 The quality of instructions were good.	1	2	3	4	5
7 The materials distributed were pertinent and useful.	1	2	3	4	5
8 Adequate time was provided for questions and discussion.	1	2	3	4	5

Approved By AICTE - New Delhi Recognized by Govt. of Maharashtra & DTE Affiliated to DBATU, Lonere.

Website : www.seti.edu.in Email : office@seti.edu.in / admission@seti.edu.in

**EN 6315**

9. Participation and interaction were encouraged.	1	2	3	4	5
10. The time allotted for the training was sufficient	1	2	3	4	5
11 The training met my expectations	1	2	3	4	5
12 I will be able to apply the knowledge learned.	1	2	3	4	5
13 This training experience will be useful for me during the placement activity.	1	2	3	4	5
14 I would be interested in attending an advanced workshop / programs on this same subject	1	2	3	4	5
15 The meeting room and facilities were adequate and comfortable	1	2	3	4	5

❖ Overall rating for this lecture?

Very Poor (1)      Poor (2)      Average (3)      Good (4)      Excellent (5)

❖ Please share other comments or expand your views on previous responses here:

conduct more number of lectures.

## Feedback Form

Lecture On : "Career Awareness"  
Date : 08/10/2021 (9.30 am to 11.30 am)  
Name of Trainer : Dr. Ajay K. Maske  
Location : Central Drawing Hall

Instructions: Please indicate your level of agreement in the statements listed below

Please tick your level of agreement with the statements listed below	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
	(1)	(2)	(3)	(4)	(5)
1 The objectives of the lecture / training were clearly defined.	1	2	3	4	5
2 The training / lecture objectives were met.	1	2	3	4	5
3 The trainer / lecturer was knowledgeable about the training topics.	1	2	3	4	5
4 The trainer / lecturer was well prepared.	1	2	3	4	5
5 The content was organized and easy to follow.	1	2	3	4	5
6 The quality of instructions were good.	1	2	3	4	5
7 The materials distributed were pertinent and useful.	1	2	3	4	5
8 Adequate time was provided for questions and discussion.	1	2	3	4	5
