About EDC, SETI

SETI, Entrepreneurship Development Cell is established in July, 2015. We organize various events like workshops, seminars, Panel discussions, Counseling sessions relating to Entrepreneurship.

About Entrepreneurship Awareness Camp

While large number of organizations are focusing on Entrepreneurship Training, not much emphasis has been given to promote Entrepreneurship through educational interventions, particularly in our country. The need of Entrepreneurship Awareness Camp, therefore, is to make Entrepreneurship Development more effective by imparting relevant education focusing on developing entrepreneurial competencies, skills in identifying a viable business opportunity & preparing a business plan; knowledge on how to mobilize resources and manage an enterprise. The most crucial change agents, however, in the process of developing young entrepreneurs are teachers with adequate skills, knowledge and information in the area of Entrepreneurship.

Pedagogy and Methodology

To impart the inputs detailed in the programme structure, the following instructional delivery methods will be adopted:

1. Interactive sessions
2. Case Analysis
3. Interaction with experts in Entrepreneurship Development
4. Interactions with successful entrepreneurs for practical insights

About EDC, SETI

SETI, Entrepreneurship Development Cell is established in July, 2015. We organize various events like workshops, seminars, panel discussions, Counseling sessions relating to Entrepreneurship.

About Entrepreneurship Awareness Camp

While large number of organizations are focusing on Entrepreneurship training, not much emphasis has been given to promote Entrepreneurship through educational interventions, particularly in our country. The need of Entrepreneurship Awareness Camp, therefore, is to make Entrepreneurship Development more effective by imparting relevant education focusing on developing entrepreneurial competencies, skills in identifying a viable business opportunity & preparing a business plan; knowledge on how to mobilize resources and manage an enterprise. The most crucial change-agents, however, in the process of developing young entrepreneurs are teachers with adequate skills, knowledge and information in the area of Entrepreneurship.

Pedagogy and Methodology

To impart the inputs detailed in the programme structure, the following instructional delivery methods will be adopted:-

1. Interactive sessions
2. Case Analysis
3. Interaction with experts in Entrepreneurship Development
4. Interactions with successful entrepreneurs for practical insights
