Subject- Invitation as a Resource Person for the Workshop on "Intellectual Property Rights" for Final Year Mechanical Engineering Students.

Respected Sir,

Our Institute is established in 2009 in a view to impart engineering education to Under Graduate (UG) & Post Graduate (PG) Students. We wish to arrange A Workshop on "Intellectual Property Rights" for our Final Year Mechanical Engineering Students. This workshop will be helpful for our students from their career point of view.

We would like to invite you to deliver your knowledge in the above mentioned field & address our students on 11th February 2023 (From 9.10 am to 1.30 pm).

Thanking you...

Yours faithfully,

Respected Sir,

We would like to extend our sincere thanks to you for delivering series of lectures in A Workshop on "Intellectual Property Rights" for Final Year Mechanical Engineering Students on 11th February 2023. We are glad to say that the response from the students was enthusiastic. The information presented by you is definitely beneficial to our students for their career enhancement.

We genuinely thank you once again for the support and time given by you and we sincerely hope that you would continue to extend your valuable support in our future initiatives as well.

Thanking you.

The **Research Methodology** workshop was organized by Mechanical Engineering Department on 11th Feb. 2023 for Third Year B. Tech. students. The research methodology is important process because it helps to bring students research to the highest possible standard. The research methodology focuses the entire steps required to complete the research in more efficient way. This workshop creates interest in identifying research problems and methods or techniques to resolve the problems with scientific way which will be beneficial to the living being.

After completing this workshop, students got the knowledge about-

1. Different steps in Research Methodology
2. Problem identification
2. How to set the methodology to carry out research and data collection.
3. Result interpretation

The workshop was organized under the guidance of Prof. Sardar B. Deshmukh, HOD Mechanical Department and Dr.SanjeevN.Jain, Principal of SETI,Panhala.

Thanks to all faculty members who contributed in organizing this workshop.
