## **Interview Skills Program Report**

**Date: 23-07-22**

**Venue: Drawing Hall, Sanjeevan Engineering College**

Program Title: Interview Skills Program

**Conducted By: Mr. Dhairasheel Desai, CEO of Megacorpso**

**Introduction:** On 23rd July 2022, a highly informative and engaging Interview Skills Program was conducted by Mr. Dhairasheel Desai, the esteemed CEO of Megacorpso. The program aimed to equip the students of Sanjeevan Engineering College with essential skills and knowledge to excel in job interviews and enhance their employability prospects.

**Program Highlights:**

**Expert Guidance:** Mr. Dhairasheel Desai, a veteran in the industry, shared his vast knowledge and experience with the students. His insights into the hiring process and valuable tips on interview preparation were highly appreciated by the participants.

**Interview Techniques:** The program covered a wide range of interview techniques, including effective communication, body language, active listening, and proper etiquette. Participants were guided on how to present themselves confidently and make a positive impression on the interviewer.

**Resume Writing:** Recognizing the significance of a well-crafted resume, the program dedicated a section to the art of resume writing. Mr. Desai highlighted the key elements to include, how to tailor the resume to specific job requirements, and how to make it stand out from the competition.

**Mock Interviews:** To provide hands-on experience, mock interview sessions were conducted during the program. Participants were given the opportunity to practice their interview skills in a simulated environment. Mr. Desai provided personalized feedback and suggestions for improvement, helping the students understand their strengths and areas of development.

**Question and Answer Session:** An interactive question and answer session was held, allowing students to seek clarification on interview-related topics. Mr. Desai patiently addressed the queries, providing valuable insights and practical solutions to the challenges faced during job interviews.

**Conclusion:** The Interview Skills Program conducted by Mr. Dhairasheel Desai, CEO of Megacorpso, was an immense success, benefitting the students of Sanjeevan Engineering College. The program equipped them with essential skills, enhanced their interview techniques, and boosted their confidence for future job opportunities. The participants expressed their gratitude for the valuable guidance and knowledge shared by Mr. Desai, which will undoubtedly contribute to their career growth and success.

Overall, the program served as a valuable platform for students to learn and refine their interview skills, positioning them as competitive candidates in the job market. The collaboration between Megacorpso and Sanjeevan Engineering College proved to be a remarkable initiative, preparing the students for a successful transition from academia to the professional world.

## **C++ and Java Training Report**

Date: 13-09-2022

Venue: Drawing Hall and Computer Lab, Sanjeevan Engineering College

Training Conducted By: Mr. Amle, GTT

Introduction: From 13th to 27th September 2022, a comprehensive training program on C++ and Java was conducted by Mr. Amle from GTT at Sanjeevan Engineering College. The training aimed to enhance the students' programming skills and prepare them for the industry's requirements. The program was held in the drawing hall for theory sessions and the computer lab for practical exercises.

### **Program Highlights:**

**Expert Trainer:** Mr. Amle, a highly experienced professional from GTT, led the training program. With his in-depth knowledge and expertise in C++ and Java, he provided valuable insights into the programming concepts and best practices. Students greatly benefited from his guidance and mentorship.

**Comprehensive Curriculum:** The training program covered a wide range of topics, including basic and advanced concepts of C++ and Java programming languages. Participants were introduced to data types, control structures, object-oriented programming, exception handling, and more. The curriculum was designed to build a solid foundation of programming skills.

**Hands-on Practical Sessions:** To reinforce the theoretical concepts, hands-on practical sessions were conducted in the computer lab. Students were given coding exercises and projects to work on, allowing them to apply their newly acquired knowledge. Mr. Amle provided individual attention, clarifying doubts and guiding students throughout the practical sessions.

**Industry-Relevant Assignments:** To simulate real-world scenarios, students were assigned industry-relevant programming assignments. These assignments challenged students to think critically, solve complex problems, and apply their programming skills effectively. This practical exposure helped them gain confidence and develop a deeper understanding of the concepts.

**Placement Opportunities:** The training program focused not only on imparting technical knowledge but also on preparing students for placements. Mr. Amle provided valuable insights into the interview process, resume writing, and soft skills development. As a result, several students who participated in the training program secured job placements in renowned companies.

**Conclusion:** The C++ and Java training program conducted by Mr. Amle from GTT at Sanjeevan Engineering College was a resounding success. The program provided students with a strong foundation in programming languages and equipped them with industry-relevant skills. The hands-on practical sessions, industry assignments, and guidance from Mr. Amle played a pivotal role in enhancing the students' programming abilities.

Furthermore, the training program's focus on placement preparation proved to be highly beneficial, as a significant number of students secured job placements in reputed companies. This achievement highlights the effectiveness of the training program in bridging the gap between academia and industry requirements.

Overall, the training program served as a valuable platform for students to enhance their programming skills and pave the way for a successful career in the IT industry. The collaboration between GTT and

Sanjeevan Engineering College proved to be instrumental in providing quality education and placement opportunities for the student

## Career Opportunities After Engineering: Unacademy Webinar Report

Date: June 4, 2022 Prepared by: [ajay maske] Organizer: Unacademy Webinar: Career Opportunities After Engineering Audience: Sanjeevan Students

### 1. Introduction

This report provides an overview of the webinar on "Career Opportunities After Engineering" conducted by Unacademy on June 4, 2022. The webinar aimed to provide Sanjeevan students with valuable insights into various career paths and opportunities available to them after completing their engineering degrees. Through expert presentations and interactive sessions, the webinar focused on guiding students towards successful career choices and paths.

### 2. Webinar Details

a) Date: The webinar on "Career Opportunities After Engineering" was conducted on June 4, 2022.

b) Organizer: The webinar was organized by Unacademy, a leading online learning platform that provides educational resources and career guidance to students.

c) Target Audience: The webinar specifically targeted students from Sanjeevan, aiming to assist them in making informed decisions about their career paths after completing their engineering degrees.

### 3. Webinar Objectives

The webinar on "Career Opportunities After Engineering" had the following objectives:

i) Awareness of Career Paths: The webinar aimed to broaden students' understanding of the various career paths available to engineering graduates. It provided insights into both traditional and emerging fields that are in high demand in the current job market.

ii) Expert Guidance: The webinar featured expert speakers who shared their experiences and knowledge in specific career domains. They provided guidance on the skills, qualifications, and career trajectories associated with each field.

iii) Interactive Sessions: The webinar encouraged active participation through interactive sessions, Q&A sessions, and discussions. This allowed students to clarify doubts, seek personalized advice, and engage in meaningful conversations with the speakers.

iv) Personal Development: The webinar emphasized the importance of personal development and acquiring additional skills beyond core engineering knowledge. It highlighted the value of continuous learning, adaptability, and soft skills in career growth.

### 4. Webinar Highlights

a) Expert Presentations: The webinar featured expert presentations from professionals in various career domains. These experts shared insights into their respective fields, including industry trends, job roles, skill requirements, and potential growth opportunities.

b) Career Path Discussions: The webinar provided in-depth discussions on different career paths available to engineering graduates. Topics such as software development, data science, artificial intelligence, renewable energy, entrepreneurship, and management were explored to offer students a diverse range of options to consider.

c) Q&A and Panel Discussions: Students had the opportunity to interact with the speakers through Q&A sessions and panel discussions. They could seek advice, ask questions about specific career paths, and gain further clarity on the skills and qualifications required for success in those domains.

d) Guidance on Skill Development: The webinar emphasized the importance of acquiring additional skills and certifications to enhance career prospects. Students received guidance on relevant courses, online resources, and learning platforms that can help them acquire the necessary skills in their chosen fields.

### 5. Webinar Outcomes

a) Expanded Career Awareness: The webinar broadened students' awareness of various career opportunities beyond traditional engineering roles. They gained insights into emerging fields and industries, allowing them to make more informed career choices.

- b) **Informed Decision-Making:** Students received expert guidance and insights from professionals, enabling them to make well-informed decisions about their career paths. They gained clarity on the skills, qualifications, and growth trajectories associated with different fields.
- c) **Personal Development Motivation:** The webinar emphasized the importance of personal development and continuous learning. Students were motivated to invest in acquiring additional skills and competencies beyond their engineering curriculum to enhance their employability.
- d) **Networking Opportunities:** students get network opportunities with the key persons of the organization.

Subject- Invitation as a Guest Speaker for "Personality Development Workshop".

Dear Sir / Madam,

Our Institute is established in 2009 in a view to impart engineering education to Under Graduate (UG) & Post Graduate (PG) Students. We wish to arrange workshop on "Personality Development" for our third year & final year engineering students. This will include sessions on various personality development techniques. This workshop will be helpful for our third year & final year engineering students from their personality development point of view.

We would like to invite you to deliver your knowledge in the above mentioned field and address our students from 25<sup>th</sup> October 2021 to 27<sup>th</sup> October 2021.

Thanking you...

**Subject-** Invitation as a Guest Speaker for "Personality Development Workshop".

Dear Sir / Madam,

Our Institute is established in 2009 in a view to impart engineering education to Under Graduate (UG) & Post Graduate (PG) Students. We wish to arrange workshop on "Personality Development" for our third year & final year engineering students. This will include sessions on various personality development techniques. This workshop will be helpful for our third year & final year engineering students from their personality development point of view.

We would like to invite you to deliver your knowledge in the above mentioned field and address our students from 25<sup>th</sup> October 2021 to 27<sup>th</sup> October 2021.

Thanking you...

Yours faithfully,

Dear Sir / Madam,

Our Institute is established in 2009 in a view to impart engineering education to Under Graduate (UG) & Post Graduate (PG) Students. We wish to arrange "Aptitude Training Program" for our third year & final year engineering students. This will include sessions on solving various aptitude test problems. This program will be helpful for our third year & final year engineering students from their career point of view.

We would like to invite you to deliver your knowledge in the above mentioned field and address our students from 22<sup>nd</sup> November 2021 to 24<sup>th</sup> November 2021.

Thanking you...

Yours faithfully,

Subject- Invitation as a Guest Speaker for "Life Skill Program".

Dear Sir / Madam,

Our Institute is established in 2009 in a view to impart engineering education to Under Graduate (UG) & Post Graduate (PG) Students. We wish to arrange One Week "Life Skill Program" for our final year engineering students. This will include sessions on Interviewing Skill, Soft Skills & Corporate Culture. This program will be helpful for our final year engineering students from their career point of view.

We would like to invite you to deliver your knowledge in the above mentioned field and address our students from 27<sup>th</sup> September 2021 to 02<sup>nd</sup> October 2021.

Thanking you...

Yours faithfully,
