Annual Report of Career Development Cell (Academic Year 2017-18)

Career Counseling Activity

As a part of continuous endeavor to impart add on values in addition to formal academics , the career development cell of the institute engaged in conducting career counseling activity wherein students of final year were exposed to information regarding competitive examinations

Following is a brief overview of the activity conducted by the cell in academic year 2017-18.

Name of the Activity	: Competitive Examinations Introductory Session
Commencement of Activity	: 19 June 2017
Closure of Activity	: 24 June 2017
Total Sessions	: 6 sessions (12 Hrs.)
Total Students Benefited	: 165
Conducted by	: None. Conducted by Prof. N.B.Tharkar
Content of the Session	: Introduction to structure and pattern of various non-technical Competitive examinations.

The session-emphasized on creating awareness of career opportunities available through various competitive examinations for engineering graduates.

The target subscribers for the course were primarily, final year students.

Annual Report of Career Development Cell (Academic Year 2016-17)

Career Counseling Activity

As a part of continuous endeavor to impart add on values in addition to formal academics , the career development cell of the institute engaged in conducting career counseling activity wherein students of final year were exposed to information regarding competitive examinations

Following is a brief overview of the activity conducted by the cell in academic year 2016-17.

Name of the Activity	: Competitive Examinations Introductory Session
Commencement of Activity	: 20 June 2016
Closure of Activity	: 25 June 2016
Total Sessions	: 6 sessions (12 Hrs.)
Total Students Benefited	: 158
Conducted by	: None. Conducted by Prof. N.B.Tharkar
Content of the Session	: Introduction to structure and pattern of various non-technical Competitive examinations.

The session emphasized on creating awareness of career opportunities available through various competitive examinations for engineering graduates.

The target subscribers for the course were primarily, final year students.

Annual Report of Career Development Cell (Academic Year 2014-15)

Career Counseling Activity

As a part of continuous endeavor to impart add on values in addition to formal academics , the career development cell of the institute engaged in conducting career counseling activity wherein students of final year were exposed to information regarding competitive examinations

Following is a brief overview of the activity conducted by the cell in academic year 2014-15.

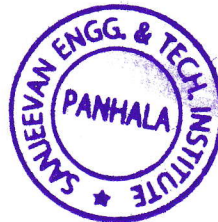

Name of the Activity	: Competitive Examinations Introductory Session
Commencement of Activity	: 16 June 2014
Closure of Activity	: 20 June 2014
Total Sessions	: 5 sessions (10 Hrs.)
Total Students Benefited	: 178
Conducted by	: None. Conducted by Prof. N.B.Tharkar
Content of the Session	: Introduction to structure and pattern of various non-technical Competitive examinations.

The session emphasized on creating awareness of career opportunities available through various competitive examinations for engineering graduates.

The target subscribers for the course were primarily, final year students.

Annual Report of Career Development Cell (Academic Year 2013-14)

Career Counseling Activity

As a part of continuous endeavor to impart add on values in addition to formal academics , the career development cell of the institute engaged in conducting career counseling activity wherein students of final year were exposed to information regarding competitive examinations

Following is a brief overview of the activity conducted by the cell in academic year 2013-14.

Name of the Activity	: Competitive Examinations Introductory Session
Commencement of Activity	: 17 June 2013
Closure of Activity	: 20 June 2013
Total Sessions	: 4sessions (08 Hrs.)
Total Students Benefited	: 70
Conducted by	: None. Conducted by Prof. N.B.Tharkar
Content of the Session	: Introduction to structure and pattern of various non-technical Competitive examinations.

The session emphasized on creating awareness of career opportunities available through various competitive examinations for engineering graduates.

The target subscribers for the course were primarily, final year students.
