In the concern of ending the validity period of NAAC accreditation of five years in the month of March 2024, Principal had decided to apply for the Cycle II accreditation before six months as per the guidelines of NAAC SSR revised manual.

### 4. Finalising schedule for application of IQA & SSR:

With the permission of chair, Dean IQAC had elaborated over the Cycle II submission duration and all team had finalised the month of September'23 for the application of IQA to NAAC. SSR submission decided to go at the mid of the September.

### 5. Cycle II criteria wise allotment:

Criteria	Coo. dinating Department
I	Computer Science & Engineering
II	Automobile Engineering
III	Mechanical Engineering
IV	Civil Engineering
V	E&Tc Engineering
VI	Electrical Engineering
VII	Dr. V.H. Deokar, Mechanical Engineering

All team members had decided the submission deadline as 15<sup>th</sup> August 2023 for the submission of five year data i.e. 2018-19 to 2022-23.

### 6. NBA criteria I completion procedure:

### **A Brief Report on Two Day NAAC Sponsored National Seminar**

On

**“Use of ICT tool for quality enhancement of higher education Institutes; Post COVID situation”**

Organized by IQAC, Sanjeevan Engineering & Technology Institute, Panhala,  
Maharashtra

9<sup>th</sup> & 10<sup>th</sup> December, 2022

**Convener:** Dr. Sanjeev N. Jain, Principal Sanjeevan Engineering & Technology Institute,  
Panhala

I am very happy to present the report of NAAC Sponsored National online Seminar on ‘Use of ICT tool for quality enhancement of higher education Institutes; Post COVID situation’.

#### **Objectives of the seminar:**

- To introduce ICT tools & its value in Post COVID situation.
- To extend awareness of ICT usage, in higher education institutes for Quality improvement.
- To create an awareness of Blended learning techniques.
- To integrate MOOC courses in the curriculum.
- To penetrate usage of online test & evaluation techniques.
- To emphasize OBE in Post COVID situation for accreditation.
- To get the evaluator’s perspectives in accreditation process.

With the encouragement and support from our Management, Principal the assistance of the coordinator and members of IQAC and my colleagues, it was possible for us to make all arrangements for the smooth and successful conduction of this online Seminar. I hope that the fruit of this Seminar will reach all the Participants and academicians in the field of Higher education. Brochures of the Seminar were sent to different colleges all over India through e-mail and WhatsApp. Total 144 participants from different colleges from different states in India responded and participated in the Seminar. The seminar had eight different Sessions by 08 different eminent resource persons.

The Seminar began at 10.00 a.m. as per the programme schedule. The seminar was conducted through Google meet online platform. The opening ceremony was inaugurated by the Dr. Sanjeev N. Jain, Principal, Sanjeevan Engineering & Technology Institute, Panhala, Maharashtra

In his inaugural speech, he spoke about the Post COVID situation and use of ICT tool in higher education institutes. Vote of thank given by Dr. G. C. Koli, IQAC co-ordinator.

### **Day 1, Friday 9<sup>th</sup> December 2022:**

The first session was started at 10.30am by Dr. Sanjeev N. Jain, Principal, Sanjeevan Engineering & Technology Institute, Panhala, in the session he elaborated on Post COVID Scenario of higher education institutes - A Quality concerned. He continued to explain about impact of COVID over education system, different ICT tools in detail, challenges in use of ICT. He also described the comparison between ICT and quality education system nicely. The second session conducted by Prof. S.C. Borse, IQAC co-ordinator, Deogiri institute of Engineering & Management studies, Aurangabad. He systematically presented the preparation procedure of NAAC Cycle 2 by showing the case study of one college. The third session was presented by Dr. P. N. Tekwani, Director- Research & Innovation, Dean Faculty of Doctoral Studies and research, Nirma University, Ahemedabad. In the session he delivered Revised NAAC A&A framework criteria wise in detail. Fourth session was conducted by Dr. Suhas Deshmukh, Associate Professor, Government college of Engineering, Karad. He has explained the different ICT tools and use of Excel tool in achieving OBE mapping ad attainment.

### **Day 2, Saturday 10<sup>th</sup> December 2022:**

On the second day, First session was addressed Dr. Suhas Patil, Professor, Bharati Vidyapeeth (Deemed to be University) College of Engineering, Pune. He elaborated in detail, regarding Concept, History of MOOC, Development of MOOC, and successful implementation of MOOC. Second session was conducted by Dr. Shashank Joshi, Dean Faculty of Engineering & Technology, Bharati Vidyapeeth (Deemed to be University), Pune. He clearly presented the procedures of NAAC how helps to complete procedures of NBA. Session three was delivered by Dr. Dhananjay Bagul, Director, Rajmata Jijau Shikshan Prasarak Mandal, ICMR, Pune. He enlightened over the NAAC criteria and different ranking procedures. In the last session of Seminar Dr. C. S. Rai, Professor, Guru Gobind Singh Indraprastha University, New Delhi thoroughly discussed the topic of Outcome Based Education in Post COVID situation.

Finally valedictory session started at 4.00pm in the presence of Dr. Sanjeev N. Jain, Principal and Vice Principal, Dr. S. G. Sapate, Sanjeevan Engineering & Technology Institute, Panhala. Dr. G. C. Koli presented a Seminar Report to the participants and feedback was enthusiastically shared by some participants of different states. Vote of Thank was offered by Dr. D.S. Bhosale, Dean, Sanjeevan Engineering & Technology Institute, Panhala.

## About SETI

Sanjeevan Engineering & Technology Institute group of schools Kolhapur, is an establishment of Sanjeevan, meets the needs of technology driven modern 21st Century. The Institute is approved by All India Council for Technical Education, New Delhi, recognized by Directorate of Technical Education, Govt. of Maharashtra and affiliated to DBATU, Lonere.

Sanjeevan Engineering and Technology Institute, Panhala offers B.Tech. Degree courses in Civil, Computer Science, Electrical and Mechanical Engineering. Institute also offers M.Tech. in Mechanical Engineering (Design).

Sanjeevan is long cherished dream of Founder-Chairman Shri. P. R. Bhosale, an educationalist having experience more than two decades. His aim is to impart quality education to the students from nook and corner of the country. No doubt, Sanjeevan Engineers will be the best professionals with added values of Indian heritage.

## About Seminar

This Seminar gives a glimpse of light over the different scenario developed in post COVID environment. The teaching learning process has been drastically changed by incorporating new ICT tools due to COVID. This seminar will surely help to all academicians, administrators to understand new techniques of ICT & to strengthen the teaching learning process. Sanjeevan Engineering Technology Institute, Panhala tries to develop this seminar by involving highly reputed academicians & administrators to speak to make a right impact over the conventional education system after COVID. The seminar will also talk about the quality enhancement parameters and processes in higher education system.

## Objectives

- To introduce ICT tools & its value in Post COVID situation.
- To extend awareness of ICT usage, in higher education institutes for Quality improvement.
- To create an awareness of Blended learning techniques.
- To integrate MOOC courses in the curriculum.
- To penetrate usage of online test & evaluation techniques.
- To emphasize OBE in Post COVID situation for accreditation.

## Sub Themes

- Post COVID Scenario of higher education institutes - A Quality concerned.
- Blended learning mode of Teaching & learning.
- Different online tools for Test conduction & its evaluation.
- The advantages of MOOC courses incorporation in the curriculum.
- Preparation of Cycle 2 in Post COVID environment & Evaluator's Perspective changes in procedure.
- Outcome Based Education in Post COVID environment.
- How NAAC documentation helps to accomplish NBA accreditation & NIRF Ranking

## Expected outcomes

In Post COVID environment most of the higher education institutes are striving hard to have the knowledge about the ICT tools to achieve effective teaching learning process. This seminar will be the sincere effort towards bringing the exposure of ICT tools to faculty of most of the higher education institutes.

The faculty who attend this seminar will get awareness in the concern of ICT usage for the improvement in quality education. Also attending faculty of the different institutes will avail the knowledge about conduction procedure of various modes of learning. This seminar will push the institutes to initiate the use of MOOC courses within the curriculum. All participates will get the clarity in Evaluator's Perspective for cycle 2 & Post COVID accreditations.

## CO preparation & Exam Reform Policy 2018

Organized by IQAC, SETI Panhala

Name of Resource Person: Dr. S. G Sapate, Vice Principal, Sanjeevan Engineering & Technology Institute, Panhala.

Date: 20/06/2023

Time: 3.00 PM. to 4.30 PM.

Venue: Seminar Hall, Electrical Engineering.

Audience: Teaching Faculty Members. (14)

Sanjeevan has started the preparation towards NBA and in this concern IQAC, SETI Panhala organized a workshop on "CO preparation & Exam reform policy".

The resource person Dr. Suhas G. Sapate had elaborated first the Exam reform policy 2018 clearly. In his presentation he had focused over different competencies available against each program outcome. Also he had delivered nicely the performance indicators for each program outcome.

The purposefully told all audience to bring their course file & syllabus. He had clearly defined the category of CO's to the audience. Next to this point he had given exercise to the audience to break CO's in the category of performance, Condition & criteria. All faculties have enjoyed the session by practicing CO preparation task. Dr. S. G. Sapate knowingly presents the complete table of average Mapping percentage by showing one good example.

He represented all competencies and correlated indicators along with all CO & PO Mapping percentage. At the end he had given 03 exercises to all faculty members which are mentioned below.

**Exercise 1:** Write all PO's mentioning their competencies & performance indicators clearly.

**Exercise 2:** Prepare CO's in categorization of

- 1) Performance
- 2) Condition
- 3) Criteria

**Exercise 3:**

Prepare complete CO attainment table in the below format.

## Report Workshop on "NAAC Cycle II overview & Preparation"

Date: 11/08/2023

### Resource Person:

1. Dr. Sanjeev N. Jain, Principal, Sanjeevan Engineering & Technology Institute, Panhala
2. Dr. D. B. Bhosale, Dean Accreditation, Sanjeevan Engineering & Technology Institute, Panhala
3. Prof. E. P. Salokhe : Dean Academics, Sanjeevan Engineering & Technology Institute, Panhala

Organised by: IQAC, Sanjeevan Engineering & Technology Institute, Panhala

### Content:

Session	Time	Topic	Resource Person
I	10.30 am to 11.30 am	NAAC cycle II overview	Dr. Sanjeev N. Jain
II	12.00 pm to 1.00 pm	List of Criteria wise documents	Dr. D. B. Bhosale
III	2.15 pm to 3.15 pm	SOP for documentation	Prof. E. P. Salokhe

IQAC of the institute had organised this workshop specifically to penetrate the organised way among the faculty of the institute regarding the NAAC cycle II process.

#### Session I:

**“Motivation towards to NBA”**

**Organised by IQAC, Sanjeevan engineering & Technology Institute, Panhala**

Date: 10/11/2022

Time: 03:00pm to 04:00pm

Venue: Seminar Hall

Resource Person: Dr. V. V. Kulkarni, Director, S. G. University Kolhapur

Participants: 35 numbers Teaching Faculty

This talk is organised by IQAC, for the special purpose to motivate faculty towards NBA preparation. Dr. V. V. Kulkarni, Director, S. G. University Kolhapur, delivered a very nice talk by his unique style of speech. He said faculty has to fight & come out with the solution to service themselves in the today's bad scenario of engineering teaching. He replied we need to strength the teaching learning process by the only one word call connect. Connect is very important word to bring students to the lecture hall & to improve attendance.

He said accreditation is nothing but improving self towards standardization. Dr. V.V. Kulkarni delivered a real motivational speech to the faculty & same is appreciated by everyone.

Dr. V. V. Kulkarni continued to tell the faculty different ways to improve & develop various types of documentation.

This Program compered by Prof. Shraddha Kumbhar & addressed by Principal Dr. S. N. Jain, followed to session vote of thank given by Dr. S. G. Sapate.

## Memorandum of Understanding

This Memorandum of Understanding (MoU) is entered on December 15, 2022, by and between:

a. Sanjeevan Engineering and technology Institute, Panhala  
And

b. Friends Union for Energising Lives

(hereinafter referred to as FUEL) duly registered under the Indian Trusts Act 1882, and having its office at FUEL, Forest Trails Township, Near Sales office, Paranjape Schemes, Near Manas Lake, Paud Road, Bhugaon, Pune, Maharashtra 412115.

This MoU is drawn up and agreed upon to establish the cooperation between Sanjeevan Engineering and technology Institute, Panhala and FUEL to bridge the divide that exists between industry and academia in the skill ecosystem and provide Skilling support to the youth to enhance their employability.

### Background and Purpose of Parties Involved

- a. SANJEEVAN ENGINEERING AND TECHNOLOGY INSTITUTE (SETI) is an establishment of Sanjeevan, meets the needs of technology driven modern 21st Century. The Institute is approved by All India Council for Technical Education, New Delhi, recognized by Directorate of Technical Education, Govt. of Maharashtra and affiliated to Shivaji University, Kolhapur. Sanjeevan Engineering & Technology Institute (SETI) is long cherished dream of Founder-Chairman Mr. P. R. BHOSALE, an Educationalist having experience about two decades. His aim is to impart quality education to the students from nook and corner of the country. No doubt, Sanjeevan Engineers will be the best professionals with added values of Indian Heritage.
- b. Friends Union for Energising Lives – FUEL, a credible non-profit organization which provides Career Guidance and Skilling to the students throughout India. FUEL has received the highly prestigious Ashoka Fellowship which is awarded to leading social entrepreneurs for their exemplary solutions to social issues.

FUEL aims to work for the Mission 2021 as envisioned by Dr. APJ Abdul Kalam for FUEL to reach career guidance support to over 1 crore students. FUEL believes that through the provision of essential life skills; Indian youth can achieve excellence in their professional life.

It has a track record of several years, having already reached 1 million students across India, and is supported by India's leading corporate's and foundations.

Recently FUEL had a great opportunity to interact with the **Hon'ble Prime Minister of India Shri. Narendra Modi** during the "**Champions of Change**" event organized by the Niti Ayog from PMO's office in Delhi.

- **Significant Recognition -**

Appreciated by Hon'ble President of India Shri. Ram Nath Kovind

- **Vision -**

FUEL has a vision to empower the youth and enable them to become the torch bearers of tomorrow.

- **Goals -**

- To reach students through career counseling and guidance over 1 crore (10 million) students
- To support mechanics & drivers through trainings for better sustainability & livelihood
- To Train under privileged youth with future skills & vocational skills from rural and semi urban areas in India
- Provide 360-degree career support to enable youth to choose the right careers and excel both personally and professionally.

## Context of the MoU

**Sanjeevan Engineering and technology Institute, Panhala** consistent efforts towards integrated development of Youth as agents of change and expertise of FUEL and its years of experience in the field brought the two parties together. Realizing the skill gap that exists and ensuring that India's huge demographic dividend should not become demographic burden, both the parties thought to come together for more meaningful and sustainable intervention in the lives of youth.

## Scope of Work

- To establish, a cooperative arrangement towards - strengthening the identified objectives.
- Review and co-create initial roadmap for students in the **Sanjeevan Engineering and technology Institute, Panhala** for improvement in the employability potential through interventions such as Aptitude training and Future Skill Development.
- Establish a mechanism for formulation of strategy and review of progress in mutual consultation with each other with intent to bring efficiencies in the existing schemes through convergence of efforts.

Title: Fuel's Free Core Java Training Program for Sanjeevan Students

Dates: February 13, 2023 - March 13, 2023

Location: Bhudhan, Pune

Sponsored by: Capgemini Pune

Introduction: From February 13 to March 13, 2023, Fuel organized an exceptional one-month Core Java Training Program for students from Sanjeevan Institute. This initiative was made possible through the generous funding of Capgemini Pune. The program aimed to provide students with comprehensive Java programming skills and enhance their employability in the IT sector. The training program was not only free of cost but also included accommodation, food, certification, and job assistance.

**Key Highlights:**

**Comprehensive Core Java Training:** The program covered all essential aspects of Core Java, including object-oriented programming, data structures, exception handling, multithreading, and database connectivity. The curriculum was designed to make students industry-ready Java developers.

**Professional Trainers:** Fuel engaged experienced and certified trainers who were experts in Java programming. They provided hands-on training, real-world examples, and practical insights into Java development.

**Fully Funded Program:** Thanks to the generous sponsorship from Capgemini Pune, the entire program, including training, accommodation, and food, was offered to students free of cost. This removed financial barriers and made quality education accessible to all.

**Accommodation and Facilities:** Students were provided with comfortable staying facilities in Bhudhan, Pune, ensuring a conducive learning environment. Nutritious meals were provided throughout the training period.

**Certification:** At the end of the program, students received a certification of completion, which recognized their proficiency in Core Java. This certification would serve as a valuable addition to their resumes.

**Job Assistance:** Fuel went the extra mile by offering job assistance to program participants. They were provided with guidance on job interviews, resume building, and job search strategies, increasing their chances of securing employment in the IT industry.

**Practical Projects:** The program included practical projects, allowing students to apply their Java programming skills to real-world scenarios. This hands-on experience was invaluable for building their portfolios.

**Interactive Learning:** The training sessions were highly interactive, with a focus on problem-solving and collaborative learning. Students had the opportunity to ask questions, seek clarification, and engage in group discussions.

**Conclusion:** Fuel's Free Core Java Training Program for Sanjeevan students, sponsored by Capgemini Pune, was a remarkable initiative that provided students with a unique opportunity to enhance their Java programming skills. The program's comprehensive curriculum, professional trainers, and additional benefits like accommodation, food, certification, and job assistance made it an outstanding educational experience. This initiative not only enriched the lives of the students but also contributed to their future employability in the IT sector.

We extend our heartfelt appreciation to Fuel and Capgemini Pune for their dedication to nurturing talent and providing students with access to quality education and job opportunities.

Subject- Letter of Invitation for One Day Workshop on "Importance of SAP in Current Scenario" for Mechanical Engineering Students.

Dear Sir,

Our Institute is established in 2009 in a view to impart engineering education to Under Graduate (UG) & Post Graduate (PG) Students. By learning your expertise and vast experience in the area of SAP, we are pleased to invite you as a speaker in One Day Workshop on "Importance of SAP in Current Scenario" for Mechanical Engineering Students. We are confident that our students would be enriched with your lecture. This program will be helpful for our Mechanical Engineering Students from their career point of view. The workshop is planned on 12<sup>th</sup> July 2023. Kindly give your consent

Thanking you.

Yours faithfully,

Memorandum of Understanding (MOU)  
between  
**SANJEEVAN ENGINEERING & TECHNOLOGY**  
INSTITUTE, PANTHALA,  
and  
**Tata Technologies Limited**  
Date: January 21, 2016

  
**TATA TECHNOLOGIES**

Sanjeevan Engineering & Technology Institute, Panhala, (hereinafter referred to as SETI), is a college of Engineering and Technology, having its campus at Sanjeevan Knowledge City, A/P - Somwar Peth- Injole, Panhala, Tal. Panhala Kolhapur, Maharashtra, India-416 201

And

**Tata Technologies Limited** (hereinafter referred to as "Tata Technologies") is a company registered under the Indian Companies Act, 1956 and has among other businesses, in the business of providing products and services to OEM and Engineering Sectors in the area of Automotive and Aerospace, having its registered office at 25, Rajiv Gandhi Infotech Park, Pune - 411 057.

In the course of this MOU both parties to the MOU mentioned above have been individually referred to as "Party" and jointly as "Parties".

**Objective and Terms**

1. Tata Technologies under aegis of the Corporate Sustainability Program (CSP) has identified the need for imparting quality training in the "Design Engineering" domain to 3rd and 4th year Mechanical Engineering Students of SETI. The main intent behind this initiative is to better equip young engineers to increase awareness and industry connect. The Parties intend to enter in to this MOU to provide a frame work evaluating the area of collaboration between them and establish certain rights and obligations between the Parties during such evaluation. Tata Technologies plans to roll out this e-learning program as a pilot project in SETI.
2. This MOU further establishes an understanding between the Parties to do a pilot test for conducting a Design Engineering training for 3rd & 4th year Mechanical Engineering students ("Students") of SETI using methods and aids generally associated with distance learning. This training is being planned for the first time by Tata Technologies and is currently being conceptualised by Tata Technologies' employees who are experienced in Design Engineering. This program is being planned as part of the Tata Technologies very successful "Ready Engineer Program" under the aegis of its Corporate Sustainability. The program for purposes of this agreement will be referred to a "Distance Ready Engineer" or "DRE" hereinafter.
3. DRE is a voluntary initiative and Tata Technologies will design a course for the entire training. Tata Technologies' experts and experienced Design Engineering specialists will create an e-learning module hosted on IGET IT or a platform (as decided by Tata Technologies at that point of time) which will be licensed for use to selected engineering students of SETI.

*[Signature]*

4. The proposed methodology for the program will be decided by Tata Technologies in due course of time in consultation with its own consultants and SETI. The terms and conditions of the license to use the program will be provided by Tata Technologies in due course as may be required. All Intellectual Property Rights generated under this program will solely belong to Tata Technologies.
5. The training may require tests to be conducted on a regular intervals during the entire course of DRE to evaluate the students' performance and based on the results, necessary guidance will be given to the students by the SETI Professors (who have undergone the 'DRE Train the Professors Workshop') so as to achieve a satisfactory status.
6. SETI commits to make available the students, professors, training rooms and licensed CATIA V5 software on work stations during the course of the of the DRE program as may be required. This is necessary for a successful implementation and completion of the DRE program.
7. Tata Technologies may charge some nominal fees for the training as agreed between the Parties. The nominal fee obtained from through this course will be utilised for corporate sustainability programs.
8. Tata Technologies may hire the trained students and will have the 1<sup>st</sup> right of refusal for selection after these students complete their graduation which would mean that Tata Technologies may be the first company to interview these Students.
9. Proprietary information disclosed by Tata Technologies in the course of discussions and training under this MOU shall be kept highly confidential. SETI shall not use Tata Technologies' name or its trademarks or make any reference to the MOU or the DRE program in any manner of publicity without Tata Technologies' prior written consent.
10. Parties are aware that the business activities of Tata Technologies are self-regulated by the "Tata Code of Conduct" which is incorporated by reference herein. It can be accessed and downloaded from <http://www.tatatechnologies.com>.
11. This MOU is effective from the date of signing and will remain valid unless terminated by either Party, upon thirty (30) days written notice to the other Party.
12. This MOU shall be construed, and the legal relations between the Parties hereto shall be determined, in accordance with the substantive laws of India. The parties shall refer their disputes to the exclusive jurisdiction of the Courts at Pune, India.
13. Neither this MOU nor any negotiations or other understandings prior or pursuant to the execution of the MOU shall constitute a binding and legally enforceable MOU, nor give rise to any liability, between the Parties.

The Parties have caused their respective duly authorized representatives to execute and deliver this Agreement on the date mentioned herein above.

Respected Sir,

We would like to extend our sincere thanks to you for arranging workshop on "Prototype & Process Design and Development on 10<sup>th</sup> March 2023" in association with Siddham Innovation and Business Incubation Center (SIBIC) Kolhapur for our engineering students. We are glad to say that the response from the students was enthusiastic. The information presented by you is definitely beneficial to our students for their career enhancement.

We genuinely thank you once again for the support and time given by you and we sincerely hope that you would continue to extend your valuable support in our future initiatives as well.

Thanking you.

**No of Student Attended Visit:** 20

**Introduction of Company:** Established in 2015, Big Castings Pvt Ltd has gained immense expertise in supplying & trading of Alloy steel, steel idler, SP Rocket, Side Cutter, Tooth point, Adapters etc. The company is located in Belgaum, Karnataka and is one of the leading sellers of listed products.

BIG CASTINGS Pvt. Ltd. is pioneered in the Wear Resistant Castings from the late 80s for the application of Earthmoving and Construction machines and today it is supplying to almost all leading OE manufacturers. From a small scale unit – Alloy Steel – in Belgaum, has grown up to total 4 units catering to majority OE supplies and their overseas requirements worldwide.

Right from initial layout and Pattern making till finished Casting, every process is carried out under the vigil eyes of technicians guided by the team of expert engineers. The Company has Simulators to study the Casting before pouring it to determine the very effective molding. All the patterns are made in house by the expert workers in Aluminum.

We have visited the four different sections of the company like Foundry, Heat treatment plant, Laboratory and Machine shop and studied the processes carried out there.

The foundry section has two 800 kg. capacity induction furnaces. They use CO<sub>2</sub> as well as Vacuum Molding process.

Steel Castings invariably need Heat treatment and for that Company have a Continuous type Heat Treatment furnace with automatic controls where Annealing, Hardening (Quenching) and Normalizing is done.

The Company have the Quality Assurance cell with mainly almost all the NDT (Non Destructive Testing) facilities.. The Sprockets, Idlers, Links, Tooth and Adaptors are tested in the laboratories to withstand the ambient temperature of – 20°C ; These products also checked to work satisfactory at even – 40°C temperature.

**In Association with Rubicon Skills**

**Trainer: Yogita Vaidya, Goa**

**Sanjeevan Engineering College, Panhala Dates: August 7, 2023 - August 10, 2023**

### **Introduction**

The Life Skills Training Program, in collaboration with Rubicon Skills and led by Trainer Yogita Vaidya, was conducted at Sanjeevan Engineering College, Panhala, from August 7, 2023, to August 10, 2023. The program aimed to equip students with essential life skills necessary for personal and professional growth.

### **Program Highlights**

#### **Day 1 - August 7, 2023**

**Orientation:** The program began with a warm welcome and orientation session, where the students were introduced to the objectives and schedule of the training.

**Communication Skills:** Yogita Vaidya conducted interactive sessions on effective communication, including verbal and non-verbal communication techniques.

#### **Day 2 - August 8, 2023**

**Time Management:** The day focused on time management skills, teaching students how to prioritize tasks, set goals, and optimize productivity.

**Teamwork and Leadership:** Students participated in group activities to enhance their teamwork and leadership abilities.

Day 3 - August 9, 2023

**Stress Management:** Yogita Vaidya shared strategies to manage stress, cope with academic pressures, and maintain mental well-being.

**Financial Literacy:** The afternoon session covered financial literacy, including budgeting, saving, and making informed financial decisions.

Day 4 - August 10, 2023

**Career Development:** The final day of the program focused on career development, resume building, and interview skills to prepare students for their future careers.

**Closing Ceremony:** The program concluded with a certificate distribution ceremony, where participants received certificates of completion.

#### Feedback and Impact

The Life Skills Training Program received overwhelmingly positive feedback from the students of Sanjeevan Engineering College. Participants reported increased self-confidence, improved communication skills, and better time management abilities. They also appreciated the practical and interactive approach of the program.

Yogita Vaidya's expertise and engaging teaching style were highly praised by both students and college faculty. The training program has undoubtedly equipped the students with valuable life skills that will serve them well in their academic journey and future careers.

#### Conclusion

The Life Skills Training Program, in collaboration with Rubicon Skills and Trainer Yogita Vaidya, was a resounding success. It has empowered the students of Sanjeevan Engineering College, Panhala, with essential life skills that will contribute to their personal and professional development. We extend our gratitude to all participants and look forward to future collaborations.

## **Industrial Visit Report: Mahatma Phule Cooperative Textile, Peth Vadgoan**

Date: 23rd March 2023

Sanjeevan Engineering and Technology Institute -

### **Report Overview:**

An enriching industrial visit to Mahatma Phule Cooperative Textile, located in Peth Vadgoan, was organized on 23rd March 2023 for students of Sanjeevan Engineering and Technology Institute. The visit aimed to provide interested students with an opportunity to gain practical insights into the workings of the textile industry.

### **Visit Highlights:**

**Educational Insight:** The industrial visit served as an educational expedition, allowing students to witness the real-life operations of a cooperative textile unit. This firsthand experience helped bridge the gap between theoretical knowledge and practical application.

**Industry Exposure:** Students were given a guided tour of the textile facility, covering various departments such as spinning, weaving, dyeing, and quality control. This exposure provided a comprehensive understanding of the entire production process.

**Interactions with Professionals:** During the visit, students had the privilege of interacting with professionals and experts from the industry. They were able to ask questions and clarify doubts, gaining valuable insights into the challenges and innovations in the textile sector.

**Operational Understanding:** The visit offered a unique opportunity to observe the day-to-day operations of the cooperative, from raw material processing to the final product. This experience deepened students' understanding of the industry's intricacies.

**Educational Benefits:**

The industrial visit to Mahatma Phule Cooperative Textile yielded several educational benefits for the participating students:

**Practical Learning:** Students were able to witness the application of their classroom knowledge in a real-world setting, making their learning experience more meaningful.

**Career Exploration:** The visit allowed students to explore potential career opportunities in the textile industry and gain insights into the roles and responsibilities involved.

**Networking:** Interactions with industry professionals provided students with networking opportunities, which can be invaluable in their future careers.

**Inspiration:** Observing the textile manufacturing process firsthand may have inspired some students to consider entrepreneurship or innovation in the field.

**Conclusion:**

The industrial visit to Mahatma Phule Cooperative Textile in Peth Vadgoan was a valuable and insightful experience for the students of Sanjeevan Engineering and Technology Institute. It offered a unique opportunity for interested students to connect their academic knowledge to real-world industrial operations.

Such visits contribute significantly to a well-rounded education, enabling students to make informed decisions about their career paths and inspiring them to become future leaders and innovators in their chosen fields. The institute's commitment to facilitating such educational initiatives is commendable.

# EMPLOYEE TRAINING PROGRAM REPORT: PEAK PERFORMANCE AT THE WORKPLACE

Date: 08, Jan 2023

HARI OM FLEXI PACK

Report Overview:

A comprehensive employee training program on "Peak Performance at the Workplace" was conducted by Dr. Ajay Maske, Director of Training and Placement, in collaboration with Sanjeevan Engineering and Technology Institute. The program was organized under the Memorandum of Understanding (MOU) established between Hari Om Company and Sanjeevan Institute over the past two years.

## Program Highlights:

**Collaborative Effort:** The training program was a testament to the successful partnership between Hari Om Company and Sanjeevan Institute. The ongoing MOU has facilitated knowledge sharing and collaboration, fostering mutual growth and development.

**Expert Facilitator:** Dr. Ajay Maske, renowned for his expertise in training and development, led the program. His extensive experience and in-depth knowledge were instrumental in delivering valuable insights to the employees.

**Peak Performance Focus:** The training program primarily focused on strategies and techniques to enhance employee performance in the workplace. Attendees gained a deeper understanding of the factors influencing their productivity and efficiency.

**Interactive Sessions:** The program included interactive sessions, workshops, and discussions, allowing employees to actively participate and share their experiences. This encouraged a dynamic learning environment.

**Practical Tools:** Attendees were provided with practical tools and methodologies to implement in their daily work routines. These tools aimed to boost productivity, time management, and overall performance.

### Impact and Outcomes:

The "Peak Performance at the Workplace" training program had several positive outcomes:

**Increased Employee Productivity:** Employees learned how to better manage their time, reduce stress, and stay motivated, resulting in improved productivity.

**Enhanced Collaboration:** The program fostered a sense of teamwork and collaboration among employees, creating a more cohesive and productive work environment.

**Skill Development:** Employees acquired new skills and strategies to excel in their roles, benefiting both their professional growth and the company's performance.

**Positive Feedback:** Participants expressed their satisfaction with the program and highlighted the practicality of the tools and techniques they learned.

### Conclusion:

The "Peak Performance at the Workplace" training program, facilitated by Dr. Ajay Maske, has had a significant impact on employees at Hari Om Company. This initiative, conducted in collaboration with Sanjeevan Institute under their established MOU, reflects a commitment to continuous learning and growth.

The training program's success underlines the value of knowledge exchange and collaboration between educational institutions and corporate entities. Such endeavors not only enhance employee skills but also contribute to the organization's success.

As the partnership between Hari Om Company and Sanjeevan Institute continues to strengthen, it is evident that the collective efforts are leading to a more knowledgeable, skilled, and high-performing workforce, ultimately benefiting both the company and its employees.

## Sanjeevan Engineering and Technology Institute, Panhala: Entrepreneur Award and Development Program

### Wisdom Foundation Entrepreneur Award and Development Program

Date: [23 Feb, 2023]

Sanjeevan Engineering and Technology Institute, Panhala

#### Report Overview:

The Wisdom Foundation recently organized an Entrepreneur Award and Development Program for the students of Sanjeevan Engineering and Technology Institute. This program aimed to provide valuable guidance, resources, and support to the budding entrepreneurs of the institute, facilitating their journey towards becoming successful entrepreneurs.

#### Program Highlights:

**Guidance from BYST and Nehru Yuva Kendra:** The program featured esteemed guests and mentors from BYST (Bharatiya Yuva Shakti Trust) and Nehru Yuva Kendra who shared their knowledge and experiences with the students. Their insights and expertise in entrepreneurship provided valuable guidance to aspiring entrepreneurs.

**Book Distribution:** In an effort to enhance the students' knowledge and skills, the Wisdom Foundation distributed a collection of books related to entrepreneurship, business development, and leadership. These resources will serve as valuable references for the students in their entrepreneurial endeavors.

**Distinguished Presence:** The event was graced by the presence of the esteemed Principal of Sanjeevan Engineering and Technology Institute, Mr. S.N. Jain, and the Vice Principal, Dr. Suhas Sapate. Their participation and guidance were instrumental in motivating and inspiring the students to pursue their entrepreneurial dreams.

**Key Takeaways:**

The Entrepreneur Award and Development Program left a lasting impact on the students of Sanjeevan Engineering and Technology Institute:

The guidance from BYST and Nehru Yuva Kendra mentors provided students with valuable insights into the entrepreneurial world, helping them shape their business ideas and strategies.

The book distribution initiative empowered students with a wealth of knowledge and resources that will serve as a foundation for their entrepreneurial journeys.

The presence of the institute's Principal and Vice Principal reaffirmed the institution's commitment to nurturing entrepreneurship among its students, providing encouragement and support to those aspiring to become entrepreneurs.

**Conclusion:**

The Wisdom Foundation's Entrepreneur Award and Development Program was a resounding success, leaving a positive and lasting impact on the students of Sanjeevan Engineering and Technology Institute. With the guidance of experienced mentors and access to valuable resources, the students are well-equipped to embark on their entrepreneurial endeavors with confidence and enthusiasm. The institution's commitment to fostering entrepreneurship was further highlighted through the participation of its esteemed leadership.

This program serves as a testament to the potential of young entrepreneurs and their ability to shape a brighter future for themselves and the business world at large. It is a significant step toward nurturing and promoting the entrepreneurial spirit among the youth, paving the way for innovation and economic growth.

## **PLACEMENT ACTIVITY REPORT UNDER MOU BETWEEN YASHASWI, PUNE, AND SANJEEVAN, PANHALA**

Sanjeevan Engineering and Technology Institute, Panhala

### Report Overview:

Over the past 1.5 years, a robust placement activity was conducted in partnership with Yashaswi, Pune, and Sanjeevan Engineering and Technology Institute, Panhala, as part of their Memorandum of Understanding (MOU). This collaborative effort aimed to facilitate final placements for students, providing them with opportunities to kickstart their careers.

### Companies Participating in the Placement Activity:

Several renowned companies actively participated in the placement activity, offering promising opportunities to Sanjeevan students:

**Bharat Petroleum Corporation Limited (BPCL):** A leading player in the oil and gas sector, BPCL provided students with opportunities to work in various roles, contributing to the energy sector.

Defence Research and Development Organization (DRDO): DRDO, a prestigious organization in the field of defense research, extended job offers to students, fostering innovation and technological advancements.

Flash Electronics Pvt Ltd: This innovative electronics company offered roles to students, focusing on research, development, and manufacturing of electronic components and solutions.

Jai Hind Industries: As a reputable manufacturing and engineering company, Jai Hind Industries extended job opportunities to students in fields such as engineering and production.

Placement Activity Duration:

The placement activity spanned 1.5 years and included a series of activities, including:

Preparation Workshops: Students were prepared for the placement process through workshops on resume building, interview skills, and soft skills.

Campus Drives: Companies conducted on-campus recruitment drives, providing students with opportunities for preliminary interviews and evaluations.

Final Interviews: Shortlisted students participated in final interviews with company representatives, where they showcased their skills and competencies.

Outcomes:

The collaborative placement activity yielded numerous positive outcomes:

Placements: Many students secured lucrative job offers from the participating companies, effectively launching their professional careers.

Industry Exposure: Students gained exposure to various industries, enhancing their understanding of real-world work environments.

MOU Success: The partnership between Yashaswi, Pune, and Sanjeevan, Panhala, continued to thrive, strengthening the educational and placement ecosystem.

Conclusion:

The placement activity conducted under the MOU between Yashaswi, Pune, and Sanjeevan, Panhala, has been a commendable success. It has not only provided students with valuable career opportunities but also strengthened the collaborative ties between educational institutions and the corporate world.

The participation of prominent companies such as BPCL, DRDO, Flash Electronics Pvt Ltd, and Jai Hind Industries underscores the value of the talent pool at Sanjeevan and the institution's commitment to producing industry-ready professionals.

This placement activity has played a pivotal role in shaping the future of students and is a testament to the dedication of both the educational institution and its industry partners in promoting career development and growth.

**2. Non-Disclosure:**

Contractor will not, at any time, disclose or divulge or make public, except on legal obligation, any information regarding the client's affairs or work carried out whether the same may be made known/available to the contractor or become known/available to contractor in the course of the aforementioned services or otherwise. A disclosure of items from the Client's item bank in any form by any means by Contractor or its personnel whether intentionally or otherwise will be a violation of this confidentiality clause as it undermines the integrity and security of the Client's Products and Services and the sanctity of examinations in general. Any unauthorized access, reproduction, distribution, or disclosure of items from the Client's item bank by Contractor or its Personnel before, during, or after a test is strictly prohibited and may lead to termination of this agreement and pursuance of available remedies by the Client and/or Client Sponsors, which may include criminal prosecution and / or a civil suit seeking damages.

**3. Limited Warranty; Limited Remedies:**

Client makes no warranty concerning the Software or the Client Products and Services or any other services or goods provided under this Agreement, and Client hereby disclaims all implied warranties with respect thereto, including without limitation any implied warranty of merchantability, fitness for a particular purpose or non-infringement.

Client shall not be liable to the Contractor for any indirect, incidental, or consequential damages or damages from lost profits or lost use, even if Client is advised as to the prospect of the same. Further, Client shall not be liable to Contractor for any damages arising out of a breach of this Agreement for any amount greater than the equivalent of one month's worth of payment by the Client to the Contractor for services arising out of this Agreement during the term hereof, calculated as an average of the previous 3 month's payments.

**4. Agreement Costs:**

Stamp duty or registration charges, as applicable, if any, with respect to this agreement and the duplicate thereof shall be borne by the Contractor. The original shall be retained by the Client and the Contractor shall retain the duplicate.

**5. Materials:**

Contractor may be issued some materials by the Client such as admission brochures, application forms, admission related marketing material (like leaflets, brochures flyers), test Centre server, business stationery, documents, etc. which will remain the property of the Client. Contractor agrees to return them in good shape to the Client upon expiry or earlier termination of the Agreement.

**6. No employment:**

Nothing in this agreement shall be deemed to create any relationship of partnership, employment, franchising, or joint venture between the Client and the Contractor. Neither Party is authorized, in any manner, to make any commitment on behalf of or to bind the other Party.

**7. Jurisdiction & Disputes:**

The Agreement shall be governed by and construed in accordance with the laws of India. In the event any dispute or difference arises out of or in connection with the interpretation or implementation of this Agreement, or out of or in connection with the breach, or alleged breach of the Agreement (hereinafter referred to as the "Dispute") between the Parties, the Parties shall attempt in the first instance to resolve the Dispute through friendly consultations. In the event, the dispute is not resolved through friendly consultations; the same shall be referred to arbitration to be conducted by a sole arbitrator appointed by the Client. The venue of arbitration shall be Pune and that same shall be conducted according to the provisions of Arbitration and Conciliation Act, 1996. The relevant Courts in Pune shall have exclusive jurisdiction.

**8. Assignment:**

The Contractor shall not be entitled to, without the prior approval or permission in writing of the Client to assign or transfer either part or whole of any rights, benefits or duties and obligations accruing, undertaken or incurred under this agreement to any other person.
