To,
The CEO/Manager
Toyota service station,
Tope Sambhapur
Kolhapur

Subject: Permission for Industrial visit.

Respected Sir,

Sanjeevan Engineering and Technology Institute, Panhala is one of the most reputed Engineering Institution and know for its excellent record in academics and co-curriculum activities. The state of art facilities and competent faculty provide an excellent climate for the all round development of students.

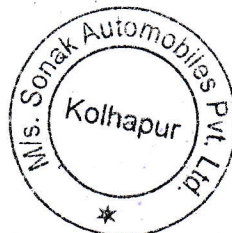

As a part of the curriculum, the students are required to undertake factory visit to a few industries of repute. It will be fruitful that the students with academic background have a glimpse of the factory in order to have a better appreciation of practical applications of theory.

In the above background, we would like to send a batch of about 90 nos. students of final year Mechanical Engineering Department accompanied by 3 staff members to visit your esteemed service industry preferably in Last week of September.

I request you to kindly accord the necessary permission for the above and arrange for guiding the students. We assume you that our students will observe the rules and regulations that are prescribed by your company for the visitors and will in no way disturb the functioning of the company.

Thanking you,

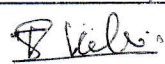

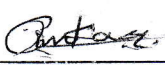

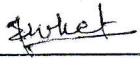

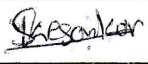

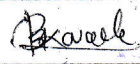

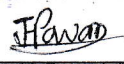

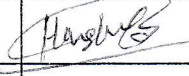

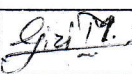

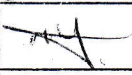

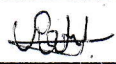

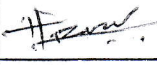

Yours Faithfully

Principal
(Dr. Mohan B. Vanarotti)
SETI, Panhala

Undertaking

We undersigned give in written that, we are going on INDUSTRIAL visit of Automobile Engineering on 04th OCT. 2018, on my own risk & Own expenses neither the institute nor any institutional member is responsible for any type of accidents/mishap in the study tour at SONAK TOYOTO SEVICE STATION, TOPE SAMBHAPUR.

Oct. 04th, 2018

To,

The Manager,

Sonak Toyota Service station

Tope Sambhapur

Dist-Kolhapur

Dear Sir,

Our institute's BE (Mech.) students had visited your Industry on 04/10/2018 as a part of their curriculum under the head "Industrial Visit". During this visit students had understood Various Part of automobile, Engine, layout, wheel balancing and servicing. Our students had benefited a lot from this visit.

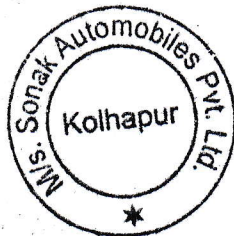

We are very much thankful for your cooperation & expect the same in future also.

Thanking you with regards.

Yours Truly,

Prof. V.V. Vanmore

Mechanical Dept.

visit report.

SANJEEVAN ENGINEERING & TECHNOLOGY INSTITUTE, PANHALA

Title :- Industrial visit report.

* Industrial visit report for mechanical engg. department
7th sem degree student at "sonale Toyota"
Tape sambhapur, Kolhapur.

* Event coordinator:-
organized & managed by
Department of mech. engg. SETI, panhala.
Date :- 04 October 2018.

* Introduction

Department of mechanical engg. from SETI
panhala college arranged one day industrial visit
for 7th sem degree student to "sonale Toyota" on
4th October 2018 as per syllabus for better technical
& practical knowledge enhancement of student.

visit is important in field of automobile
as the practice of engineering has an inherent impact
society. These programs can be powerful tool to
constitute positive industrial climate overall. The aim of
all these visit is to train the student to adapt to
changing scenario of technology after student can
identify own efficiency of performance.

* Company Profile:-

"Sonale Toyota" is established in after long
years open as customer comes first a event thing

we as is to meet customer need to set up process or build people who are able to work in synergy to achieve the highest level of customer satisfaction before & after sale & create a customer for lifetime it main basic principle of this sonok Toyota.

What we learn

First at all we see the many popular Toyota models which are placed in acceptance these are Toyota Fortuner, Toyota Yaris, Toyota Innova Crysta etc. There are many offices we are see there are customer lagage, account finance & control room of maintainance are these we seen.

After showroom identify we go to the workshop with technical advice & our faculty member prof. V. V. Vammore sir, prof. P. S. Adigae sir & prof. A. B. Chavan sir. there are many one in maintainance position at different operation of maintainance.

Wheel Balancing :-

The balance is measured in workshop two method with static balance & with dynamic balance. They are measured & balancing machinery & correction weight are applied to counteract. tyre balometry is distinct from wheel alignment.

Caster & Camber :-

We see the caster-camber in car

operation in working position. There also include fourth toe-out position we seen

There we see all popular Toyota service maintain & repair procedure there are below given

(i) Body structure

(ii) Brakes :-

- Brake fluid service (Maintenance)
- Brake pedal replacement
- Brake system repair.

(iii) Differential fluid change :-

- Transmission maintenance
- Automatic transmission fluid service

Then we see electrical light

* Electrical / lights :-

- Battery maintenance
- Dashboard Indicator light
- Electrical service system.
- Ignition system

* Engine :-

- Toyota checks engine light service information
- spark plug replacement - fuel system.

* General Maintenance :-

- Cabin air filter replacement
- Convectional oil change service.
- Coolant system maintenance
- Engine air filter replacement
- Multi point inspection.

Harod
23/11/2018.
